SNAP SHOTS AT THE SANITARY

BOARD.The fortnightly conclave of the "City Fathers" s becoming an interesting event. When the Sanitary Board was reconstituted its meetings Soulist shop Solkirk, on the 19th inst. ing or savoury than drains and sewers. This has hard knocks, "I he new blood on the Board has infused a fresh and vigorous life to the body. It is no longer a "one horse show." as we vulgarly put it, but is a collection of nutamed colfs who are apt to by restive and hier vigorously. Is the reason far to seak? Are there not four Irishmen around the table ?

And the Ir shmen seem to have had a pretty good fling lately. The Q.C. no longer has the field to himself; his ounstic oratory does not now. fall upon a meek and long suffering audience. To what lengths these Irishmen with go I should not like to say. We know the inherent capacity picious circumstances, may expect anything, and goaded by the taunts petent committee and pending their report of his countryman on his left we may expres some very startling remarks on things in genural and things official in particular.

The Acting Director of Public Works has burst like a very Sirius on the firmament of debate. He is not, as head of his much abused what he deems the unjustifiable attucks of the arch reformer. He will give a Reland for his Oliver, and if he is to be a target for abuse h portion of it rests also on individual officials. port on the 19th, and may be expected here on will pay back in the aggressor's own coin. Says Mr. Tooker, "Examine the beam in thine own eya before discovering the mote in thy brother's " Physician load thyself." Plain words, hard straight hits, pitched battles in fact, will make this arena of debate full of human interest. It is as good as a cook fight.

> Another official Paddy, renowned for his sterling common some and resistless energy, is a man of few words-Carlyle would call him a silent man-and yet withit he is perhaps the . The Chung Ngoi Eau Po hears on good an most elequent of them all. His words are very those in high authority and that it should come

It would ob- intendent of the Civil Hospital and the Sanitary boar in, not too dulcet a voice until called reviously be impracticable to hold a post mor. Superintendent should be absent is considered spectfully to order. But he is full of interesting strange. The Avenir is in error, how ver, in analogies which point a moral and adorn the including the Governor amongst the absent debate. When the Board is expressing its helpman who dies, and without this it would be officials. For our contemporary's information, lossness to take some organily demanded action, impossible in a large number of cases for a we may mention that Sir William Robinson the Colonial Surgeon harks back to the days did not hasten to Europe on leave the moment when he was the Sanitary Authority, and, with existence of the plague was officially proclaimed. sanitation of the colony. No laws were good laws in those days, and the Colonial Surgeon acted upon them according to his lights

A Sapitary Board of sourse is not a thing to he trifled with. It has a very keen sense of no I um not going to say of smell, but-of dignity. Then Surgeon Major James sent his retort to Dr. Cantlie's "Connudrom" to the loom press and then asked that it should be made a minute in the proceedings of the Board, he of course gried rously offended the orthodoxy of the Board. "minute" is a very different thing from a letter in the paper though it may be the same thing (paradoxical isn't it?) and though a "minute may be a "letter," a "letter" (published as such) poses to bring forward the evicted tonants and cannot be a "minuto"—that is to say, not in future, for the offender has been warned and-well -he is another who won't do it again.

The Acting Director of Public Works must go up one more-he has been going up ever He has colinsed everything yet tained in sanitary science. The "divining rod" to discover water is not in it beside the accomplishment of Mr. Tooker. The said gentleman, according to a letter laid before the Board, paid a visit the other day to the Reclamation works, and from a careful examination of the sewage at the outlet there he instinctively The Italian Chamber has roted the Anti- Duddell Street. Now it is really useful to have an official like this knocking around the colony. There is no getting away from a man who can establish such a sympathetic connection as this. Why, with a little practice he would be able to tell us what we have had for dinner by observing the smoke from the cookhouse chimney enrling

> By the way, for the information of the A. D. P. W. silow me to quote the Dictionary in order that that worthy may not again mix up the meanings of "sewage" "sewerage." In his letter alluded to he says that be examined the "sewerage" discharged on the foreshore. He should have said "sewage," for here are the definitions: SEWERAGE :- the whole sewers of a city.

St. WAGE :- refuse carried off by sewers.

CIKULUS PATENT OKONITE TRUSSES to Hernia (Bupture) are in all respects the most perfect and unique instruments ever offered to the public as mechanical aupports and remedi l appliances for any form of rupture or internal prolapse. These trustes are of the best possible manufacture; they are self-adjusting, light, and comfortable. The external surface being completely covered with a non-absorbent material (Ocenite) renders them absolutely impervious to moleture, perspire ion, and the said exerctions of the skin, asunot rust or get out of order, cause no entaneous irritation, will hold accurely any size protosion without pain or unine time in any climate without becoming offensive, as is the case with those constructed of leather, elastic. and other objectionable materials of a porous charac-

Restrated Medical News, and Hospital Gazette have reported favourably on Skull's Patent Oconite Trusses for Hernia, as well as the following members of the Medical Profession : -Drs. J. G. Greathead, M. H. Croghan, A. Mackensie, effect in stimulating the F.N. Blood, and Van de Walt, of South Africa; Drs. is described as amusing. Anderson, Banerji, D'Silva, Dutt, Terris, and Wallace, of India; Drs. Shields, Manning, Kebbell, Paterson,
